

Accurato – the flexible ones

With the Accurato Compact and the Accurato City, you can choose between a fixed rubbish bag holder (right) and a removable unit with a portable Beutelboy (see large photo).

All Accurato models have a large, lockable storage compartment.

Shock-protected reflectors on all sides support visibility in poor light.

Made in Germany

Rollers as loading aid

Sturdy frame construction

Lockable storage compartment

Four tool holders with quick clamping

Locking brake for the rear wheels

Puncture-proof tyres
