

# Rakes

All aluminium rakes have an adjustable head angle.

Strong struts stabilise the wide aluminium rake and the pull-off profile.

The wooden rake in its original shape is especially lightweight.

Made in Germany 

Continuously hardened head

Adjustable angle

Screwed connection

## Steel rakes

**Professional smoothing rake (hardened, adjustable)** Robust all-purpose rake with patented adjustability of the head angle for professional use. Insert socket, hardened, galvanised steel, head thickness 4 mm, PU 10

Number	Tines	Width (cm)	EAN 4007105
02201/14	14	36	...022018
02201/16	16	42	...022032

**Professional light metal rake (hardened, adjustable)** Robust straight rake with patented adjustability of the head angle for professional use. Insert socket, hardened, galvanised steel, head thickness 4 mm, PU 10

Number	Tines	Width (cm)	EAN 4007105
02202/14	14	36	...022025
02202/16	16	42	...022049

**Garden rake** Robust, all-purpose rake for professional use. Insert socket, powder-coated PU 10

Number	Tines	Width (cm)	EAN 4007105
02289/8	8	20	...128918
02289/10	10	26	...128925
02289/12	12	31	...128932
02289/14	14	36	...128949
02289/16	16	42	...128956

**Bow rake** Robust bow rake for everyday use, bow protects tender plants during use in dense growth areas. Insert socket, powder-coated, PU 10

Number	Tines	Width (cm)	EAN 4007105
02291/14	14	36	...129113
02291/16	16	42	...129120

**Lawn rake** Rake for picking up particles of cut grass from the lawn. Insert socket, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
02290/60	60	32	...129014
02290/70	70	40	...129021
02290/100	100	56	...129038

**Meadow rake** Rake for picking up hay and cut grass on meadows. Insert socket, galvanised, PU 10

Number	Width (cm)	Tines	EAN 4007105
02292/75	75	22	...129212
02292/100	100	28	...129229

**Furrow maker (adjustable)** Furrow maker with adjustable head angle for creating uniform seed planting furrows, variably adjustable distance between furrows. Galvanised steel, PU 5

Number	Width (cm)	Furrow	Furrow length (cm)	EAN 4007105
02238/75	75	6	12	...373806
02238/120	120	10	12	...373813
